

REFLECTION GUIDE

After listening to *Humanity and Deep Engagement for Strong Connections (Healthy and Thriving Environments for Strong Connections and Strong Schools, Part 2)*, consider the following questions on your own or with a professional learning community.

How do you show kids you see their full humanity? How do you focus on healing through your practice?

1

What are some ways that you are keeping your humanity at the front of your work and remaining mindful of honoring the humanity of others?

2

Reflect on the educators that allowed you to experience joy and genius as a student. How did they do this? How do you make space for students to experience and express joy and genius?

3

What are some ways that would support you being sustained as a professional? Who have you shared these ideas with?

4

How has Patrick's sharing impacted your vision for a healthy and thriving school/community? What are the immediate next steps you will take to put your vision into action?
